Dear Suzanne,

It takes a special group of people to organize a drive that will help give others a second chance at life. I am glad to see that a few of those special people were honored by the Malvern Daily Record in a photograph and small article.

I have enclosed a copy of the feature so that you may put it in a scrap book, or possibly show others, encourage them to give as all of you have.

I wish all of you the happiest of Holiday Seasons and if there is anything I can do please call.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stephen Northcutt".
