● Former Democratic Rep. Lacy Landers of Benton, who unsuccessfully sought higher office after 32 years in the House.

Landers, a former House speaker, will lobby for the Arkansas Community Bankers Association and the Rural Arkansas Telephone Association. He said he also might represent health-care interests during the session.

Arkansas Community Bankers Association is composed of 142 state-chartered banks. The telephone association is made up of independently owned telephone companies.

"It's a new day for me," Landers said. "This is going to be kind of interesting."

Landers finished third in the four-person Democratic primary for secretary of state.
