Arkansas State University Three Rivers
Updated Covid-19 Guidelines* (02.02.22)

The **MASK MANDATE** remains in effect for all persons entering any facility (including classroom spaces) operated by ASU Three Rivers. Exceptions to this requirement include the allowance to remove the face covering while **alone** in an office or workspace.

Effective Monday, February 7, 2022:

ASU Three Rivers will be following the same [updated \(02.01.22\) Quarantine Guidelines](#) as our local high schools:

If you have TESTED POSITIVE or are showing symptoms

- Quarantine for 5 days from start of symptoms (or day of test if asymptomatic)
- Wear a mask around others for 5 additional days regardless of mask requirements
- *You must be fever free for 24 hours before leaving quarantine*

If you have been **EXPOSED** to someone who tested positive, regardless of vaccination status, you will not be required to quarantine, unless you become symptomatic.

NOTE: You MUST complete an [ASUTR Contact Tracing Self-Report Form](#) if you have tested positive and/or if you are experiencing any symptoms. The form can be found on the [ASUTR.edu](#) website by clicking on the grey banner "ASUTR COVID Reporting Forms and Information" at the top of the page.

A handwritten signature in blue ink that reads "Steve Rook".

Steve Rook, Ed.D.
Chancellor

**As always, these guidelines are subject to change based on directives from the CDC and/or the ADH.*
